

Oh, Christmas Train!

Reminder

Cutting is intended for grown-ups only!

What You'll Need

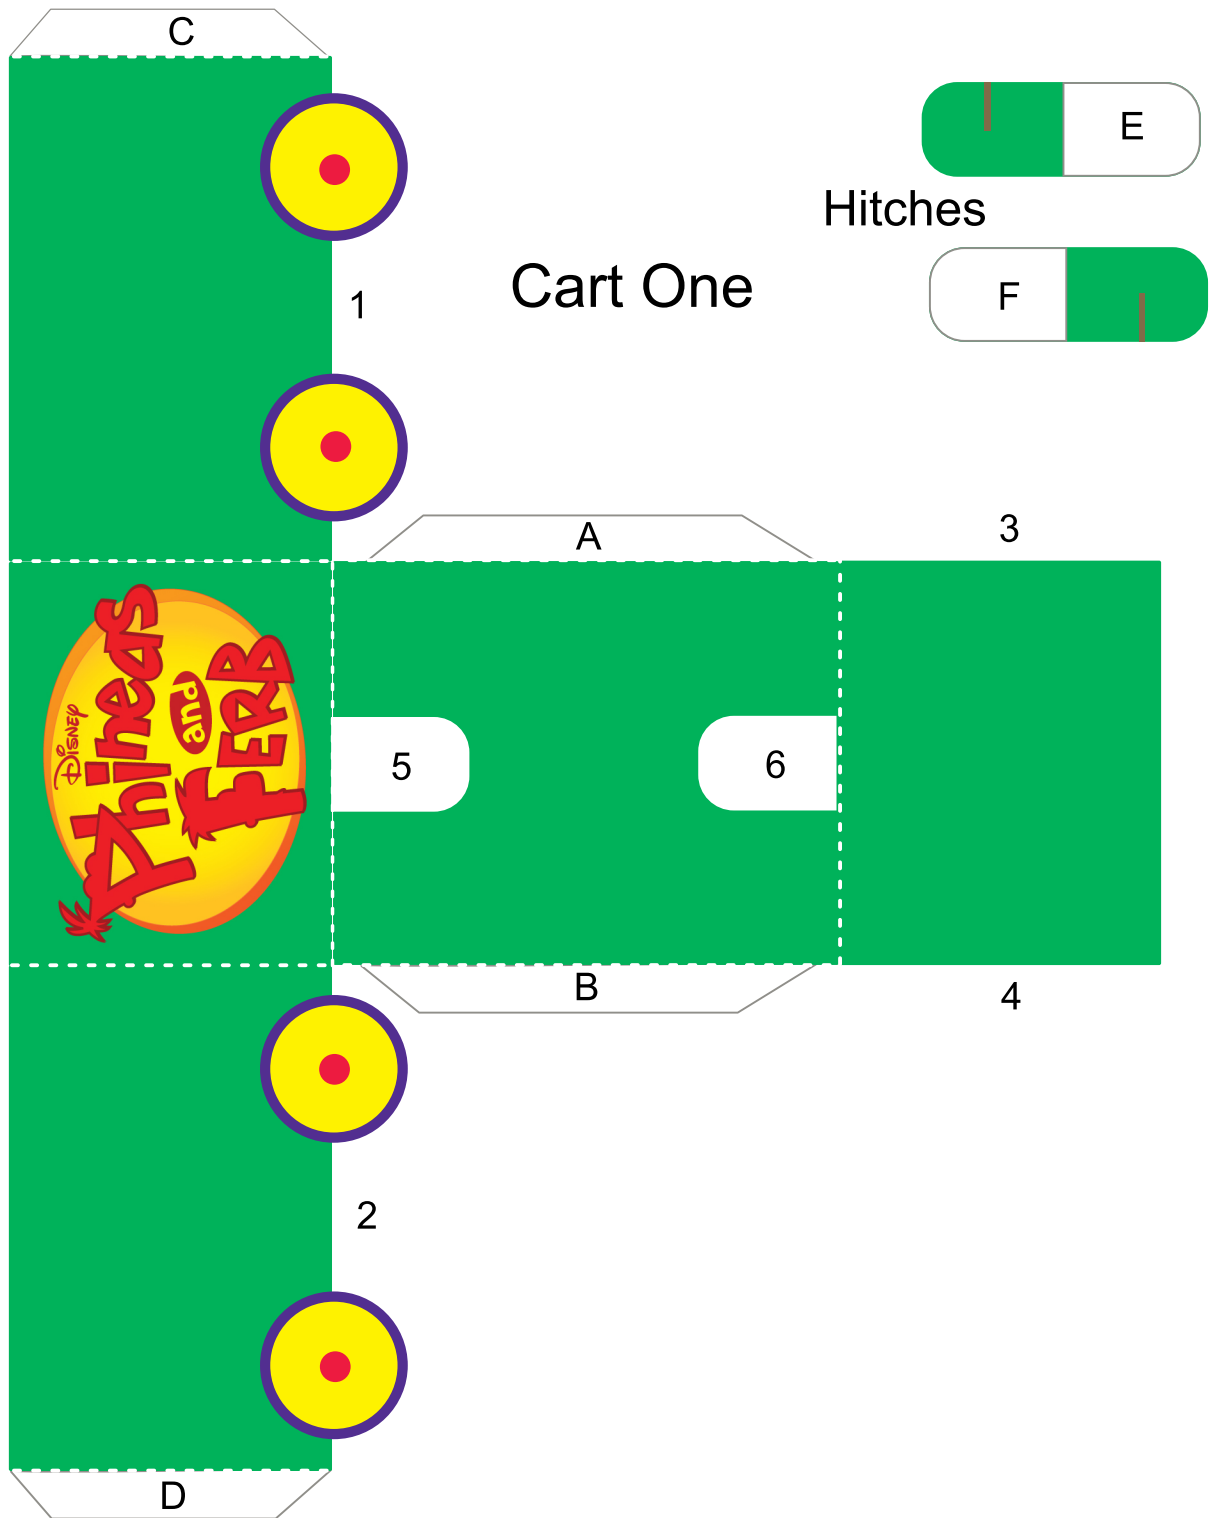

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- Ruler
- Glue

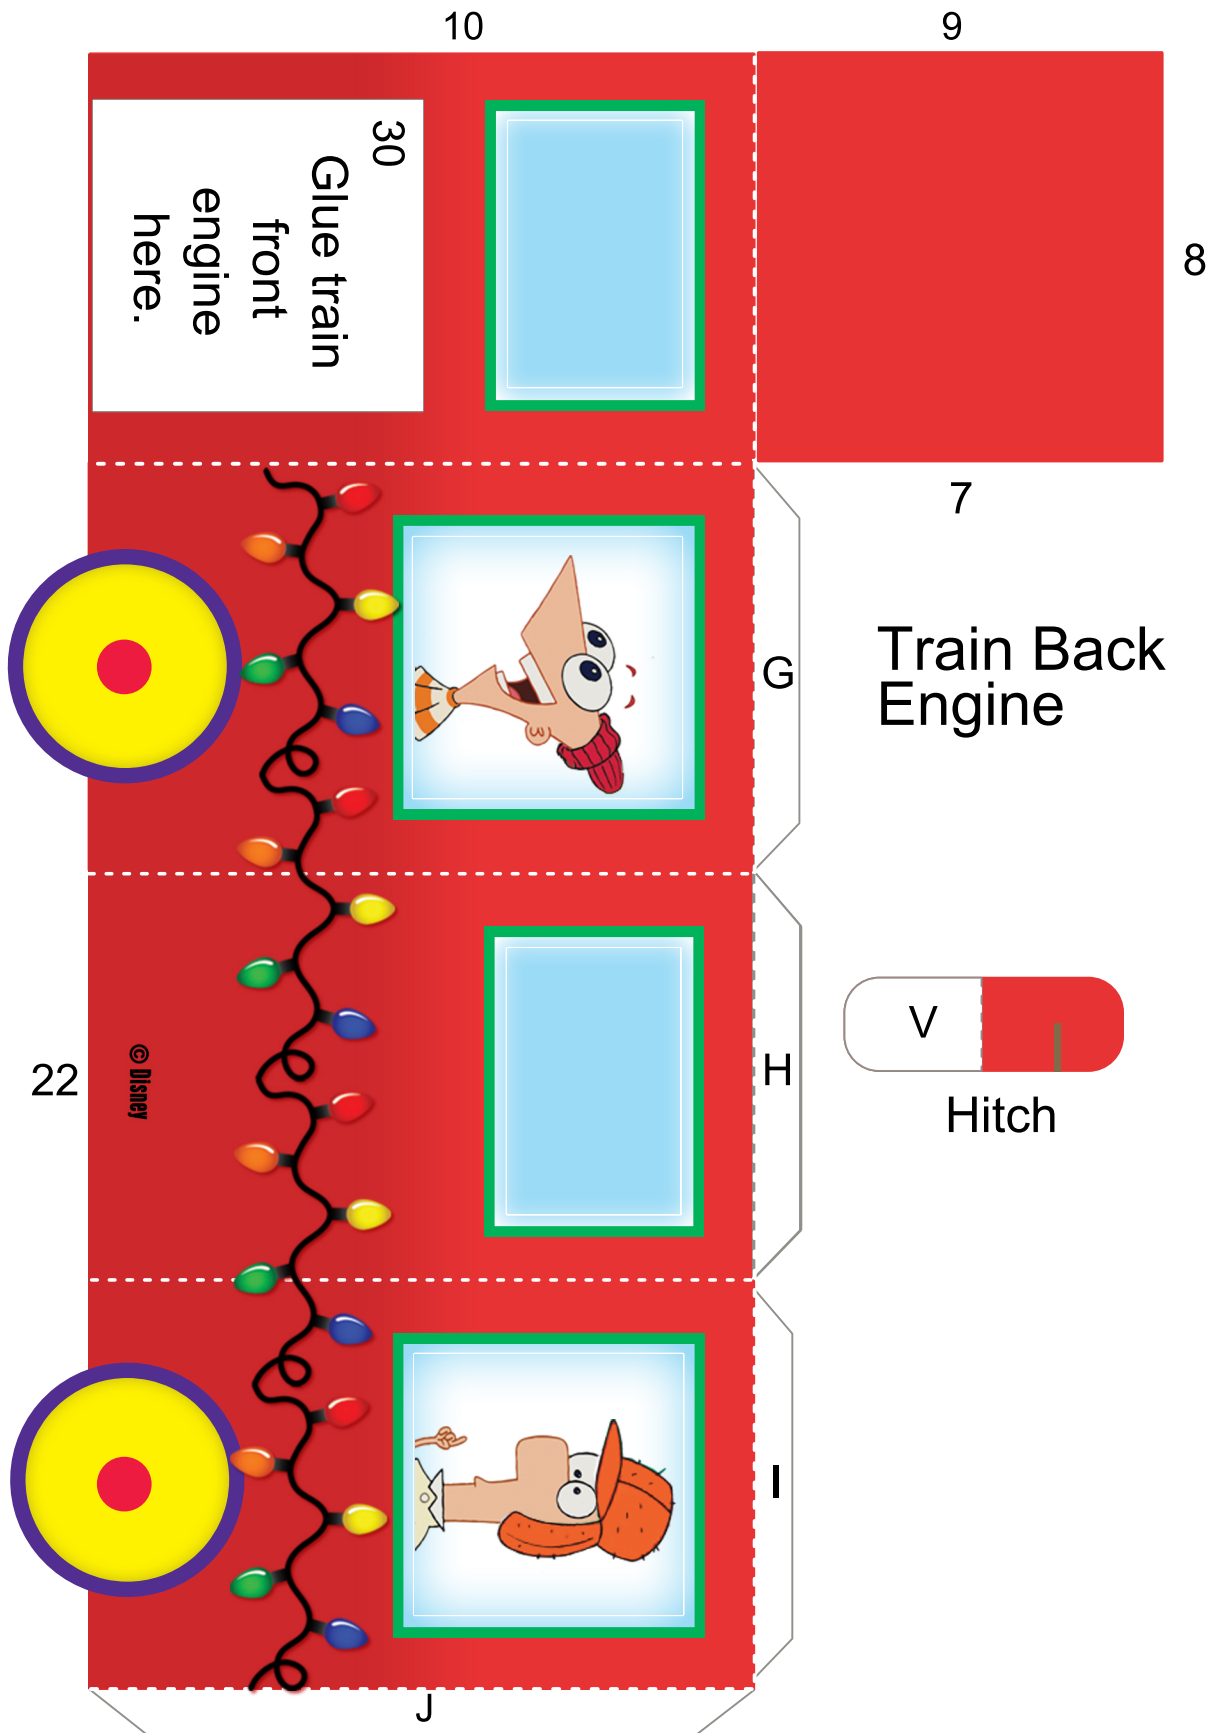

How To Make It

1. Print the pages on cardstock.
2. Have a grown-up cut out the pieces. Set the hitches aside for now.
3. Score along the dashed lines. Optional: Use a ruler to ensure edges are straight.
4. Starting with Cart One, glue Tab A to the underside of 1, Tab B to the underside of 2, C to 3, and D to 4.
5. Continue with the hitches and glue Tab E to the underside of 5 and Tab F to the underside of 6.
5. Continue with the Train Back Engine and glue Tab G to the underside of 7, H to the underside of 8, I to 9, and J to 10. Set the Train Back Engine Hitch aside for now.
6. With the Train Front Engine, glue Tab K to the underside of 11, Tab L to the underside of 12, M to 13, N to 14, O to 15, and P to 16. With the smoke stack, glue Tab Q to the underside of 17, Tab R to the underside of 18, S to 19, and T to 20. With the smoke stack complete, glue Tab U to section 32.
7. Attach the Train Front Engine and the Train Back Engine by gluing sections 20 and 21 together.
8. With the Train Back Engine Hitch, glue Tab O to the underside of 15 in the Train Back Engine while carefully making it sure it lines up with the hitches on Cart One.
