Muppets, The (film) In Smalltown, U.S.A., Kermit-obsessed Walter (a brand new Muppet) travels to Hollywood with his brother Gary and Gary's girlfriend Amy. When they go to tour the Muppet Studio, they find out it is falling into ruin, and the Muppets are no longer there. In order to save the Muppet Theater from being razed so a dishonest businessman can tear it down to drill for oil, Gary, Amy, and Walter search out Kermit at his home. They all work to get the Muppets together again for a telethon to raise the \$10 million necessary to save the theater. This is easier said than done, as the Muppets have for years all gone their separate ways—Miss Piggy, for example, is a plus-size fashion editor in Paris, Gonzo runs a high-class plumbing business, and Fozzie plays with a tribute band called The Moopets in Reno. Released on November 23, 2011. Directed by James Bobin. Stars Jason Segel (Gary), Amy Adams (Mary), Chris Cooper (Tex Richman), Rashida Jones (Veronica), cameos by a couple dozen celebrities, and more than 100 Muppets. Walter is voiced by Peter Linz. 103 min. The song, "Man or Muppet," by Bret McKenzie, won the Oscar for best song in 2012.

National Treasure: Book of Secrets (film) When a missing page from the diary of assassin John Wilkes Booth surfaces, treasure hunter Ben Gates discovers that his great-great grandfather, Thomas Gates, is implicated as a key conspirator in Abraham Lincoln's death. Determined to prove his ancestor's innocence, Ben uses portions of a cipher on the page fragment to follow an international chain of clues, searching for the true story. The search for truth turns into a race to discover the whereabouts of a mythological treasure, taking Ben on a chase from Paris to London to Washington to South Dakota's Black Hills. Doggedly pursuing Ben is Mitch Wilkinson, a descendent of Confederate General Albert Pike, who seems to have a fiendish and less noble desire to uncover his own family history and find the treasure for himself. Along the way, and while keeping the FBI at bay, Ben enlists the help of his ex-girlfriend, his technology-whiz partner, his long-separated university professor parents, and even the President of the United States, who is purported to have a highly-guarded, enigmatic book of secrets, kept by presidents and known only to them, which holds the final clue. 3-D Over the years, Disney has experimented with three-dimensional techniques for its films. The first cartoon made in 3-D was *Adventures in Music: Melody* (1953) followed shortly by *Working for Peanuts*. A *3D Jamboree* was shown at Disneyland beginning in 1958. However, it took a quarter century before the next 3-D film was produced by Disney—*Magic Journeys*, for Epcot in 1982. It has been followed by other park films *Captain Eo*, *Jim Henson's MuppetVision 3-D*, *Honey, I Shrunk the Audience*, *It's Tough to Be a Bug*, *The Magic Lamp Theater*, and *Mickey's PhilharMagic*. Beginning with *Chicken Little* (2005) Disney perfected a new process

called Disney Digital 3-D. It was used in 2006 for the first time to transfer a film originally released in analog 2-D into 3-D—*Tim Burton's The Nightmare Before Christmas*.

Wreck-It Ralph (film) Animated feature planned for release on November 2, 2012. Wreck-It Ralph longs to be as beloved as his arcade game's perfect Good Guy, Fix-It Felix. The problem is that nobody loves a Bad Guy. But they do love heroes, so when a modern, first-person shooter game arrives featuring tough-as-nails Sgt. Calhoun, Ralph sees it as his ticket to heroism and happiness. He sneaks into the game with a simple plan to win a medal, but soon wrecks everything, and accidentally unleashes a deadly enemy that threatens every game in the arcade. Ralph's only hope is Vanellope von Schweetz, a young troublemaking "glitch" from a candy-coated cart racing game who might just be the one to teach Ralph what it means to be a Good Guy. But, will he realize he is good enough to become a hero before it's "Game Over" for the entire arcade? Directed by Rich Moore. Voices include John C. Reilly (Ralph), Jack McBrayer (Fix-It Felix), Jane Lynch (Sgt. Calhoun), Sarah Silverman (Vanellope). Working title was *Reboot Ralph*.

As Carlin's investigation deepens, it not only probes through the very fabric of space and time using top-secret surveillance techniques that can look back in time but it becomes an innovative love story that unfolds in reverse when Carlin discovers his puzzling emotional connection to a woman whose past holds the key to stopping a catastrophe that could destroy their future. There remains the question: Can he alter an event that has already happened? Directed by Tony Scott. A Touchstone Pictures/Jerry Bruckheimer Films production. Released on November 22, 2006. Stars Denzel Washington (Doug Carlin), Val Kilmer (Andrew Pryzwarra), Jim Caviezel (Carroll Oerstadt), Bruce Greenwood (Jack McCready), Paula Patton (Claire Kuchever), Adam Goldberg (Denny), Elden Henson (Gunnars), Erika Alexander (Shanti). 126 min. Filming took place in post-Hurricane Katrina

New Orleans, and the credits include the statement “This film is dedicated to the strength and enduring spirit of the people of New Orleans.” The filming was set to begin in the fall of 2005, but Katrina hit in August and the film had to be put on indefinite hold. By early 2006, the city had begun to rebuild its infrastructure and the film company became the first to start shooting in New Orleans post-Katrina. The filmmakers leased the Alvin Stumpf Ferry and filmed on it and the Mississippi River for over a month, climaxing with a huge simulated pyrotechnic explosion with flames reaching 350 feet high in the middle of the Mississippi under the Crescent City Connection bridge. Fifteen cameras filmed the explosion from different angles. In order to prevent undue alarm at the flaming spectacle, New Orleans media warned the public in advance. Filmed in Super 35 Scope.

But before he can get his answer, his invention is stolen

by the dastardly Bowler Hat Guy and Doris, his diabolical hat and constant companion. Lewis has all but given up hope in his future when a mysterious boy named Wilbur Robinson whisks him away in a time machine and the two travel forward in time to spend a day with Wilbur's eccentric family. In a world filled with flying cars and floating cities, they hunt down Bowler Hat Guy, save the future, and uncover the amazing secret of Lewis's future family. Released on March 30, 2007, in a regular version, and in Disney Digital 3-D on more than 600 screens. Directed by Stephen Anderson. Voices include Angela Bassett (Mildred), Daniel Hansen (Lewis), Jordan Fry (Lewis), Tom Kenny (Mr. Willerstein), Harland Williams (Carl), Adam West (Uncle Art), Laurie Metcalf (Lucille Krunklehorn), Wesley Singerman (Wilbur), Stephen John Anderson (Bowler Hat Guy), Ethan Sandler (Doris/CEO/Spike/Dimitri), Tom Selleck (Cornelius), Nicole Sullivan (Franny). When a joyride results in a trip to juvenile court, the judge sentences Haley to do time at the elite Vickerman Gymnastics Academy run with military regimentation by hardnosed coach Burt Vickerman. It is a return to a world Haley knows only too well—she was a former Junior Finals gymnastics champion who inexplicably walked out in the middle of the prestigious championships, betraying her teammates, scrapping her own aspirations, and trashing her reputation. There is a battle of wills with Vickerman, who sees Haley's innate talent, and he is committed to helping her come back to a world she could easily rule, whether she wants to or not. Haley's talent and one-of-a-kind personality galvanize the squad who find a hero in their new teammate and learn

that, along the way, some rules are meant to be broken. A Touchstone Picture in conjunction with Happy Landing Productions and Spyglass Entertainment. Released on April 28, 2006. Directed by Jessica Bendinger. Stars Jeff Bridges (Burt Vickerman), Missy Peregrym (Haley Graham), Vanessa Lengies (Joanne Charis), Nikki Soohoo (Wei Wei Yong), Maddy Curley (Mina Hoyt), Kellan Lutz (Frank), John Patrick Amendori (Poot), Jon Greis (Brice Graham), Gia Carides (Alice Graham). 103 min.
