

Disney HANDY MANNY

BOWLING PIN CRAFT

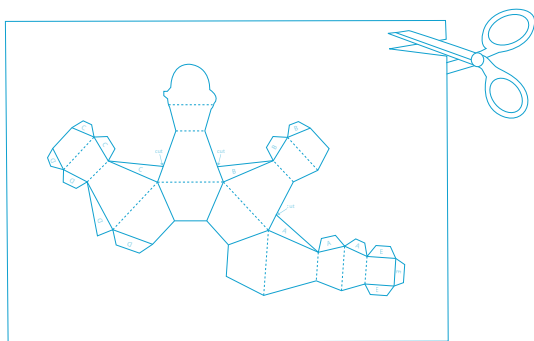

Materials

- Color printer
- Heavyweight paper (we suggest 65-pound cardstock)
- Scissors
- Glue

Note: Cutting intended for grown-ups only

Instructions

- 1** Print out the pins on cardstock and cut them out.

- 2** Starting with Manny, make four folds along the dashed lines at the base of Manny's neck toward you.

- 3** Make all other folds along the dashed lines away from you.

- 4** Glue all the red A, blue B, yellow C, and green D tabs to the inside of the pin to create the pin's body shape. Glue the black E tabs to the inside of the pin's top to close it like a lid. Repeat this step for all the other pins.

- 5** Set them up and knock 'em down with a small rubber ball!
