

Castaways Lei

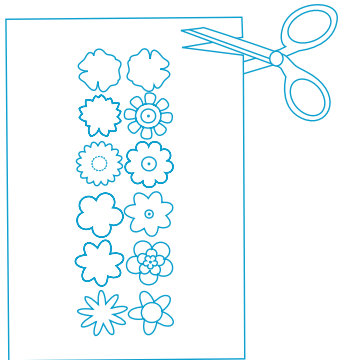

Materials

- Color printer
- Heavyweight paper (we suggest 65-pound cardstock)
- Colored pencils or colored markers
- Scissors
- Embroidery needle
- Plastic straws in different colors
- Ruler
- At least 3 feet of leather cord, yarn, or string (you may choose to use a longer length if you would prefer a longer lei)

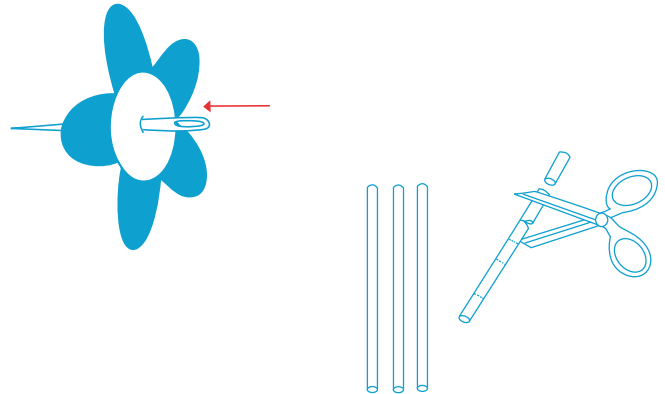

Note: Cutting intended for grown-ups only

Instructions

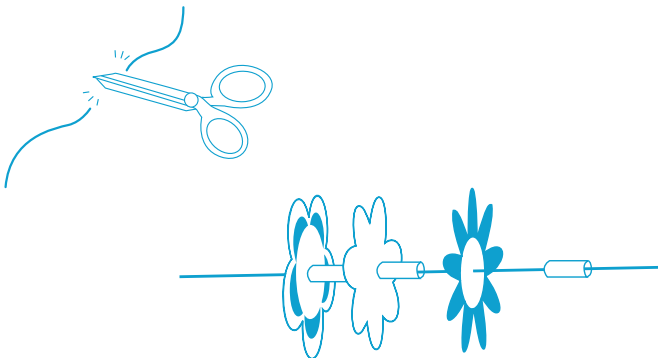

- 1 Print the flowers (pages 2-7). You will need to print at least six pages (or at least 24 flowers); print as many as you will need to fill the lei. Color in the black-and-white line art versions (pages 5-7); we suggest adding patterns like polka dots and stripes for a fun touch!
- 2 Cut out the flowers you want to include in your lei.

- 3 **Grown-ups only:** poke a hole in the middle of each flower using the embroidery needle.
- 4 Cut the plastic straws into one-inch pieces; cut as many as you will need to fill the lei. These pieces of straw will be used to create space between each flower on the lei.

- 5 Cut the cord, yarn, or string at least 3 feet long.
- 6 String the flowers and straws alternately so that the flowers do not stack together.

- 7 Continue stringing the flowers and straws until you have enough string left to be able to tie the ends together.
- 8 Wear and enjoy!
