

QUINCY'S BAT WINGS

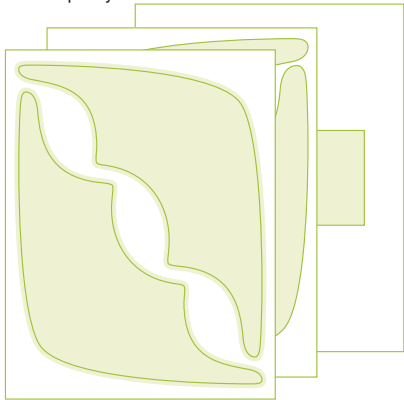

MATERIALS

- 2 or more sheets of 8.5" x 11" cardstock
- Scissors or cutting tool
- 6" x 3" rectangle of black poster board (or adjust size so the wings sit between your child's shoulder blades)
- Multipurpose glue
- Hole punch
- 24" elastic or twine, cut in half

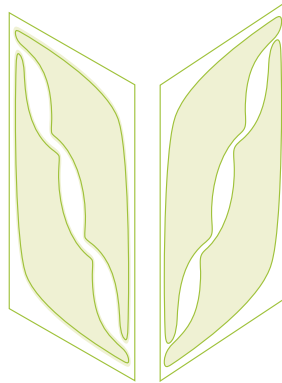

PRINTING AND ASSEMBLY INSTRUCTIONS

NOTE: Project assembly is intended for adults only.

- 1** Print artwork and template and set aside to dry completely.

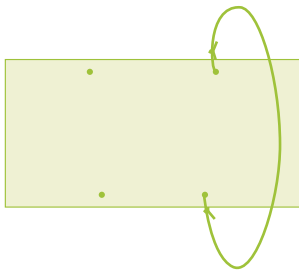

- 2** Glue wing template pages together back to back with right side of the first page and left side of the second page lined up; set aside to dry.

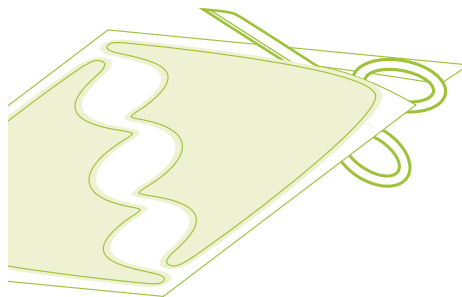

- 3** Cut out a 6" x 3" rectangle from black poster board and Punch holes according to the template provided.

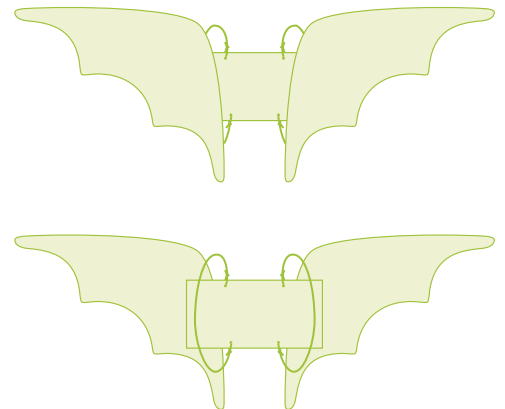

- 4** To create arm straps, hold cardboard horizontally and thread one length of elastic through top right hole and tie a knot to secure. Thread the same piece of elastic through the bottom right hole, securing with a knot to form a loop. Repeat on the left side.

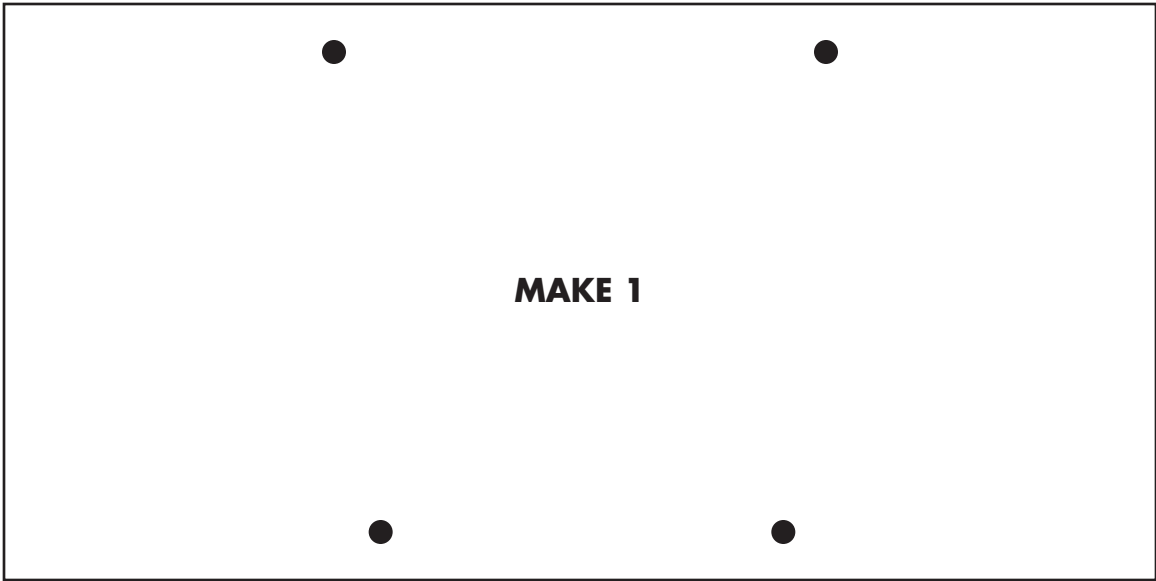

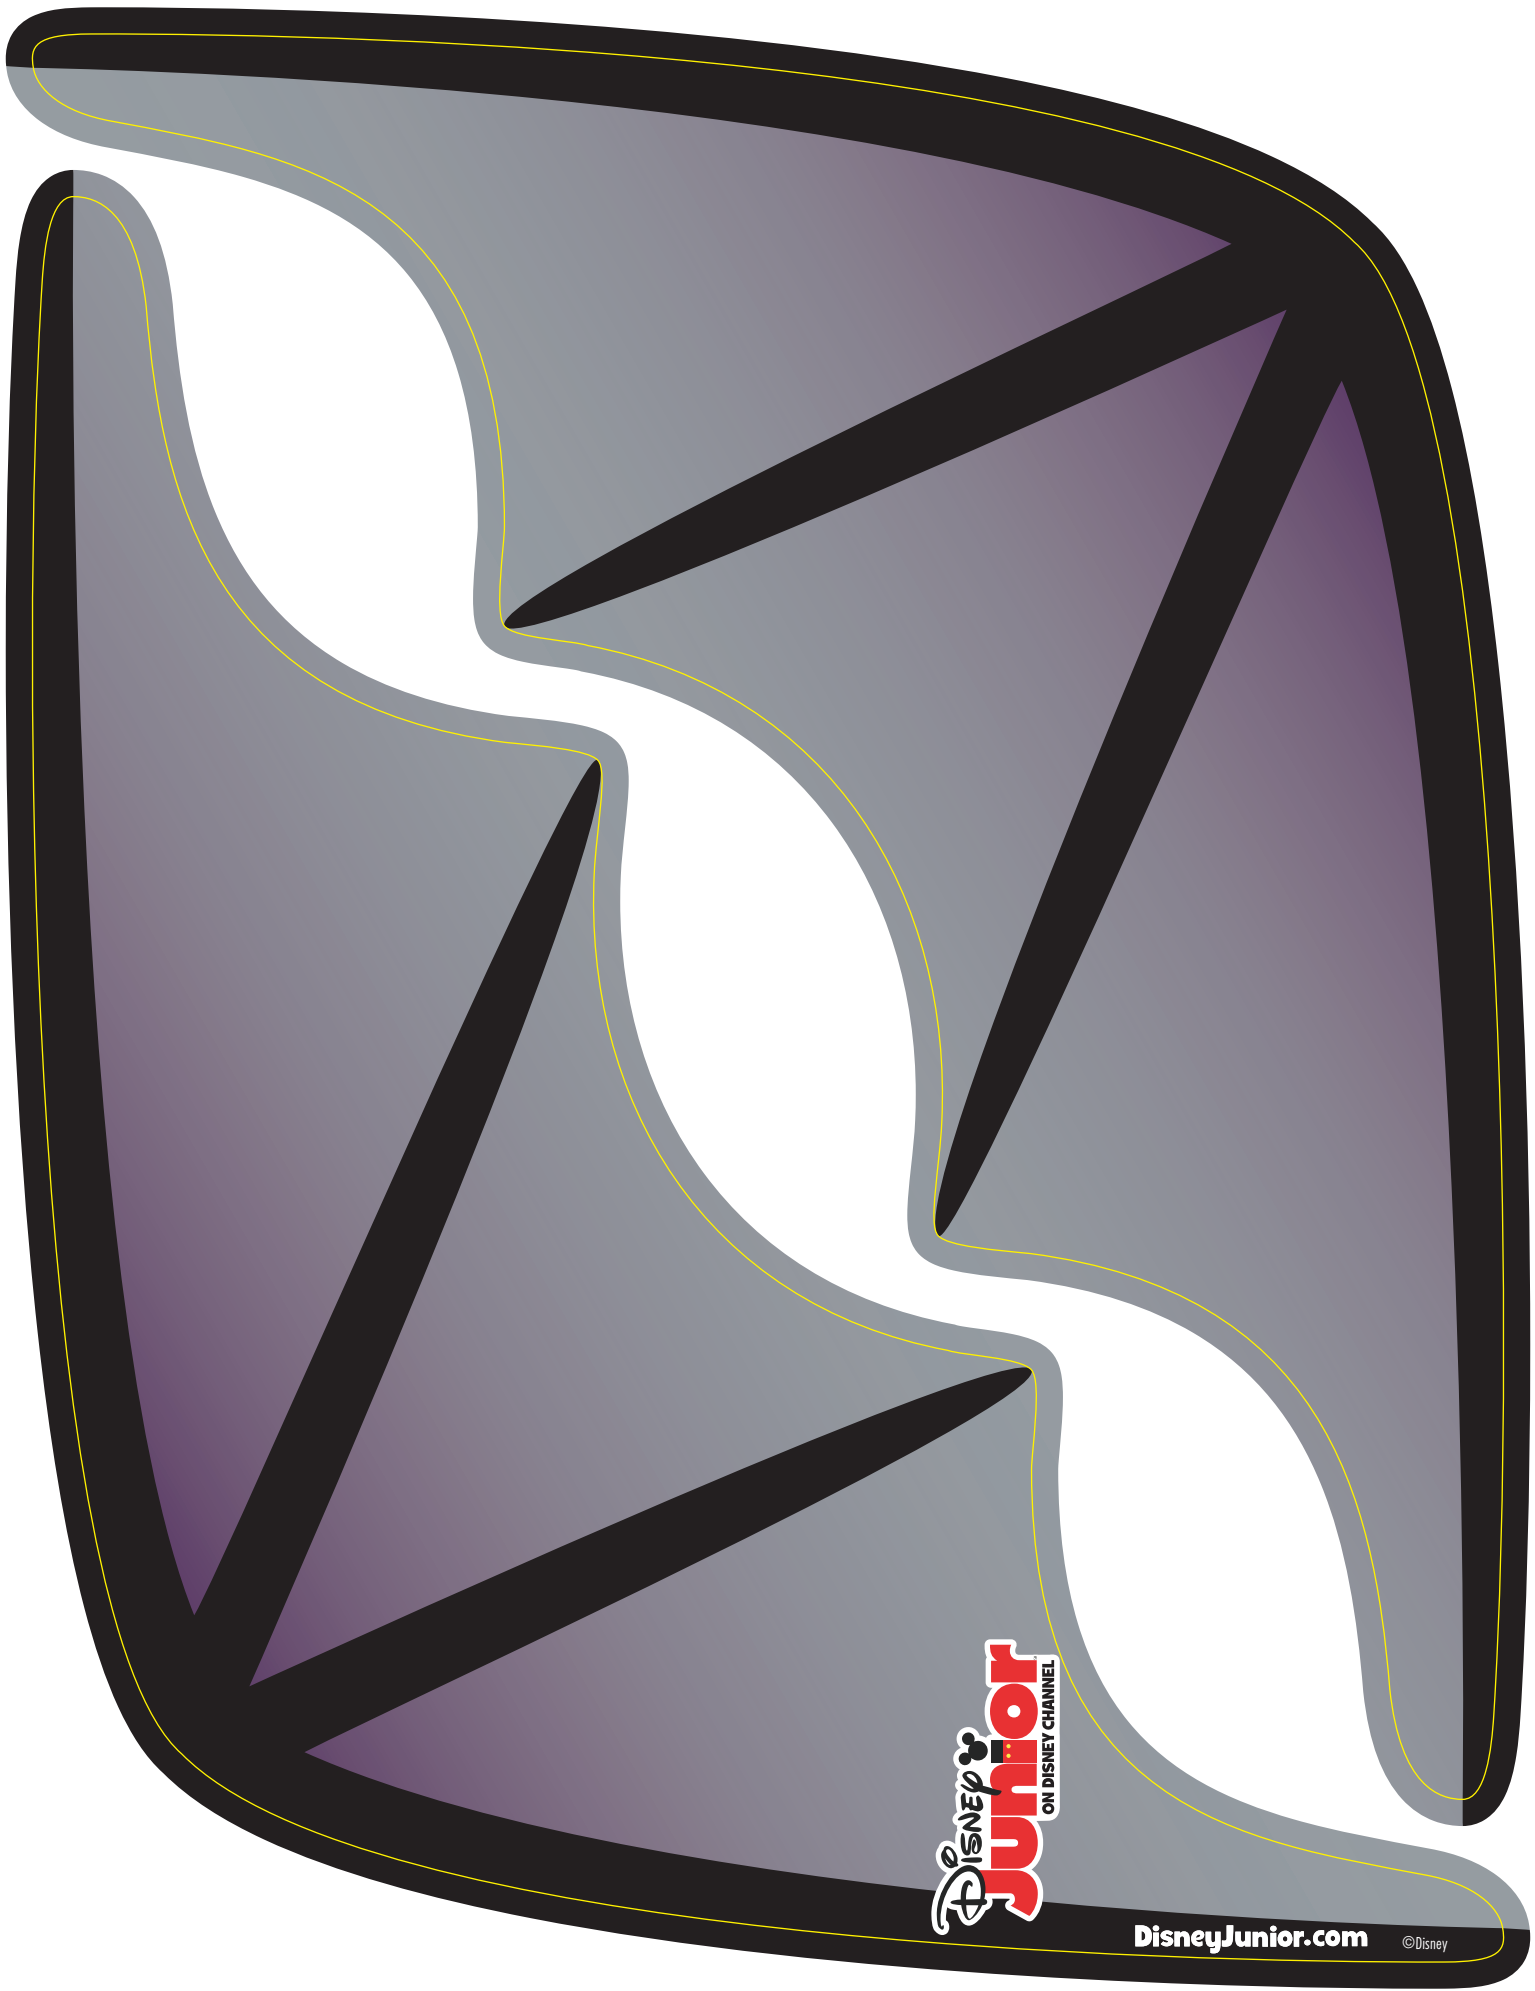

- 5** Cut wings out along yellow lines.

- 6** Glue each wing to the backside of the cardboard with the longer edge on top and the shorter edge pointing down.
