

Mickey Mouse Clubhouse Characters

Cutting intended for grown-ups only.

1. Print out the pages on regular paper or cardstock and cut out all of the pieces. Don't cut along the dashed lines. This is where you will fold the paper.
2. Fold each piece in half along the dashed line. Spread glue on the white side of the paper behind the design, leaving the white tabs at the bottom glue-free. Make sure the two sides are lined up correctly. Press until the glue dries. Repeat for all pieces.
3. Fold the bottom white tabs outward to create a stand for your characters and scenery.

Disney Family.com's printable crafts are specially designed with muted colors to not waste too much of your printer's color ink.
