Note: Cutting intended for grown-ups only.

## INSTRUCTIONS

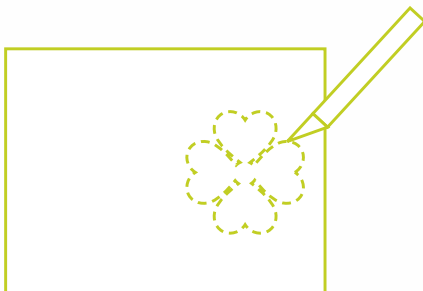

- 1** Customize the inside of the invitation by typing party information in the space provided. Then print the invitation on heavyweight paper and set aside to dry.

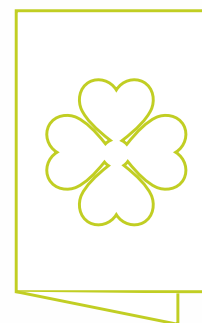

- 2** Cut out the invitation just inside the dotted lines. Fold the invitation over horizontally, gluing the front and back together. Make sure the corners match up!

- 3** Using a craft knife, cut out the four-leaf-clover on the front of the card just outside the dotted white lines. Scissors will work just fine too!

- 4** Fold the invitation over vertically, making sure the corners match up. Mickey will be peaking out the four-leaf-clover window ready to invite the guests to the party!
