

PARTY BANNER

Materials:

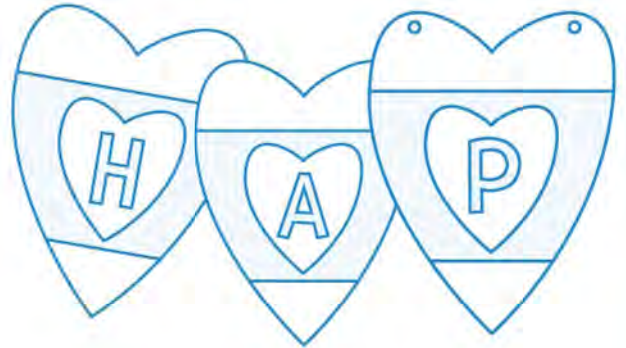

- Printer
- Cutting Tools
- Hole Punch
- String or Ribbon

Note: Cutting intended for adults only.

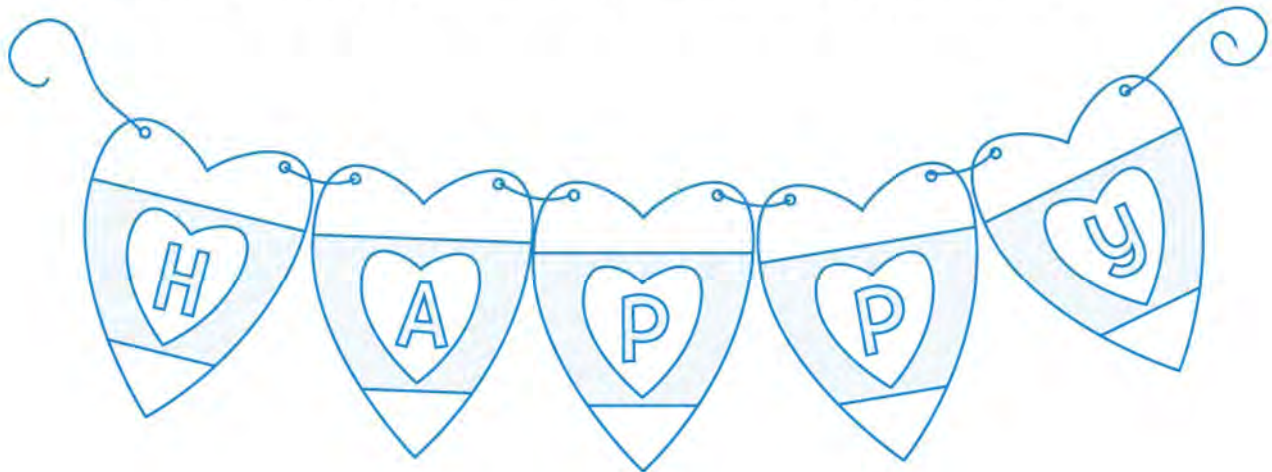

1. Decide what you want your banner to say and edit the letter in the artwork. Print one page for each letter. Then turn paper and print the banner back on the back side. Let dry.

2. Cut out banners on dotted lines. Next, punch two holes on each banner where indicated.

3. Now you are ready to string your banner together and hang for your party. Super!
