

# VALENTINE BOBBLE HAT

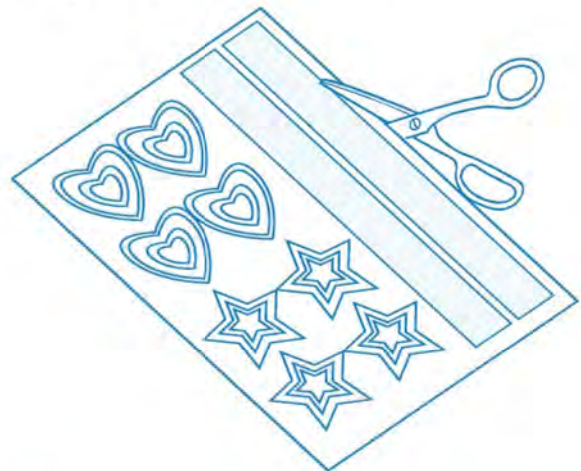

**Materials:**  
Printer  
Cutting Tools  
Tape  
Glue  
Pipe Cleaners

Note: Cutting intended for adults only.

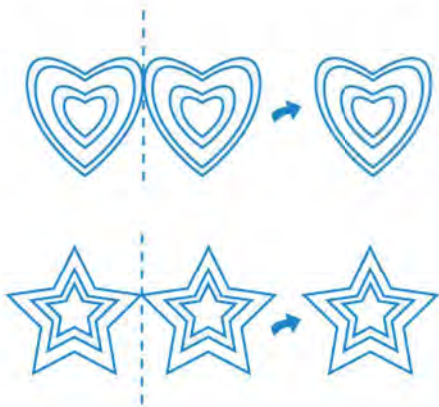

1. Print on sturdy paper or card stock and set aside to dry.

2. Next, cut out all of the pieces for the hat being careful not to cut the heart and star pairs apart.

3. Fold the hearts and stars in half.

4. Next, put a pipe cleaner between each folded heart and star and glue closed. For added fun, you can twist the pipe cleaner around your finger to make it a spiral.

- 5.** Next, glue the two strips together to make one long strip. Let dry. Now, take your dried strip and connect the ends to form a ring the size of the head you will be fitting.

- 6.** You can assemble the rest of the hat now. Tape the pipe cleaners to the inside of the hat. Use 1, 2, 3 or all 4 heart and star bobbles.

- 7.** Now all you need to do is put on your very own Valentine Bobble Hat and party!
