THE AVENGERS - SUPER TEAM PROFILE

MISSION:

Though the roster of the Avengers has shifted many times, the goal of the team has never wavered. To work together, fighting the foes that no single hero could withstand! For now, and forever, they heed the call – Avengers Assemble!

AVENGERS MANSION:

The Avengers headquarters originally belonged to the Stark family. In addition to the three above-ground residential floors, the mansion boasts a multilevel basement containing a weapons vault, transportation and training facilities – all specially adapted to the Avengers' unique needs.
