# CARTER SAYS!

Throughout the Kane Chronicles series, Carter and Sadie master more than a few Egyptian commands that come in handy from time to time.

In this game, assign one person to act as either Carter or Sadie, and lead a game of Carter (or Sadie) Says!

Carter (or Sadie) will get up in the front of the room and announce an Egyptian command. If the command starts with "Carter says!" guests must repeat the command. If not, they should stay silent.

Guests who repeat the command without hearing "Carter says!" or don't repeat the command with "Carter says!" are out!

See below for a list of Egyptian commands to use in this game.

1. *A'max* "Burn"
2. *Ha-di* "Destroy"
3. *Ha-tep* "Be at peace"
4. *Heh-sieh* "Turn back"
5. *Heqat* Summons a staff
6. *Hi-nehm* "Join"
7. *L'mun* "Hide"
8. *N'dah* "Protect"
9. *W'peh* "Open"
