

HAPPY 4TH OF JULY

HAPPY 4TH OF JULY

Step 1: Starting at the indicated end, accordion-fold the paper, making the pleats about a 1/2 inch wide.

Diagram A

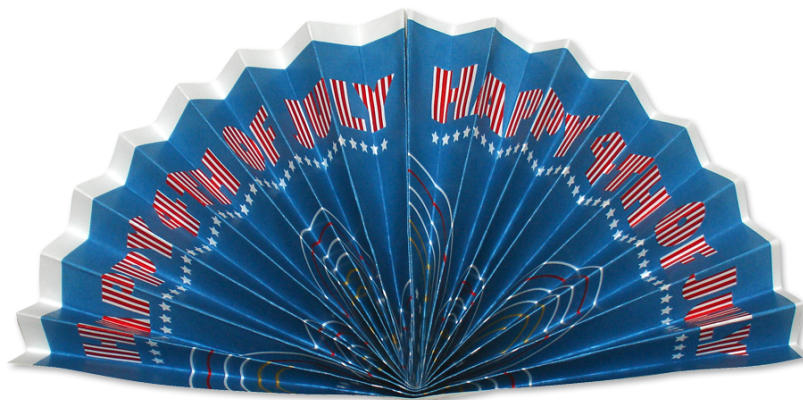

Step 2: When you have folded the entire length of the paper into pleats, flatten the stack of pleats one more time, then fold in half (see diagram C).

Diagram B

Step 3: Glue the two open pleats to each other, and then shape your fan (see diagram C and finished product).

Diagram C

Your fan is complete.
