

1.

Step 1: Cut out the main piece of the basket.

Step 2: Using the fold indicators on page one (the page with the main piece) with the below graphics, begin making your folds.

2.

3.

Step 3: Your basket should be starting to take shape. Glue "A" to "A" and so on until all four corners are secured.

Step 4: Fold over the white lip on the two sides of the basket. Cut out the handle and leaves. Glue the handle to the indicated sides of the basket. Fill the basket with conversation starters or thankful cards, found at familyfun.com/printables. Sprinkle the leaves inside the basket or spread them on the dinner table.

4.
